

Remarks

Applicant thanks the Examiner for the careful attention accorded to the instant application. Claims 7-20 are pending, and claims 1-6 and 21-35 were previously withdrawn.

The objections to the specification are addressed on the above amendments. In addition, the rejection of claim 18 under 35 USC 112, first paragraph has been addressed by replacing the term "debonding" with "damaging" (as supported, for instance, at page 5, last paragraph of the application as filed). Claims 7, 9, 12, 16, 17, 19 and 20 have been amended to overcome the rejections under 35 USC 112, second paragraph.

No new matter has been added. Since the rejections have been addressed, early and favorable action is earnestly solicited.

Respectfully Submitted,

By: /Ralph J. Crispino/
